

Lab Safety Project

Name(s): _____

Class #(s): _____

Choose one of the following assignments for your lab safety project. For each top two options, you may work in pairs. For the bottom two, you may work together and have the comic tell the same story as the creative writing piece. This assignment is worth 30 points and is due/will be presented Monday, August 18th.

Quiz	PSA
<p>Design a quiz for your peers to take that addresses the most important of the 20 concepts. Your test should include at least 5 true/false, 5 multiple choice, and 5 short answer questions. Have 5-10 peers take the test then analyze the results and report conclusions about any areas we need to discuss more.</p>	<p>Using your phone and video editing software, make a short public service announcement regarding one or several and safety expectations. Feel free to make it funny, serious, or over-serious. It should have audio, titles and a clear theme.</p>
Creative Story	Comic Strip
<p>Write a creative story describing a situation where a student did not follow one of the lab safety expectations and the result was tragic or humorous. (Length should be at least two pages.)</p>	<p>Draw a comic strip illustrating someone failing to follow one of the lab expectations. It should include at least 6 frames and have a clear theme. Feel free to create a super hero/villain or both to interact with offenders. Be creative!</p>
